yalla

Hangul writing practice

Copy eight Korean letters, then combine them in six syllable blocks.

1. Copy each letter twice

Use one square per letter. The Latin letters are pronunciation guides.

ㄱ g/k	ㄴ n	ㅁ m	ㅇ silent at the start
ㅏ a	ㅓ eo	ㅗ o	ㅜ u

2. Fit the letters into one square

Put ㅏ and ㅓ on the right. Put ㅗ and ㅜ below.

ㄱ + ㅏ → 가 (ga) ㄱ + ㅗ → 고 (go)

Write each pair as one block. When a syllable starts with a vowel sound, write ㅇ first. It's silent there.

1. ㄴ + ㅏ	2. ㄱ + ㅓ	3. ㅁ + ㅗ
4. ㄱ + ㅜ	5. ㅇ + ㅏ	6. ㅇ + ㅜ

Answer key

1. 나 2. 거 3. 모 4. 구 5. 아 6. 우

Read your first Korean words in the Yalla guide.

See the National Institute of Korean Language's guide to Hangul syllable blocks.
